Frank C. Norris of Worthington, Ohio, writes: "I want to let you know that your April Frill issue of the APJ was your best issue ever. I am looking at the August 1961 Frill issue. The 1969 issue is bigger and better. We all think you are doing a great job for the Pigeon Fancy."

Rick Eastman of Midland, Mich., writes: "I would just like to say how much I have enjoyed and looked forward to each issue. The Fantail issue was the best of all since I raise Homers, Rollers and Fantails. Why not have an issue devoted to Rollers?"

Gerald E. Leberman of Fort Dodge, Iowa, writes: "Presently we are organizing the Central Bokhara Trumpeter Club to be affiliated with the International Bokhara Trumpeter Club, and as soon as the club becomes a reality we will be running some ads in your publication."

K. C. Russell, Jr., of Jenison, Mich., writes: "I'm writing this letter to say how much I enjoy the APJ. I would enjoy seeing a Swallow Special. It looks like the Swallow people are joining together again, and we should start to move ahead."

I. M. Turton of Kingston, Jamaica, West Indies, writes: "As a Tippler fancier, the first thing I look for when I receive your magazine is to see if there is anything published about the Flying Tippler, — one of the finest sporting pigeons in the world."

K. Robert Durig of Indianapolis, Ind., writes: "By the way, this Oriental Frill Special was of such excellence that I felt like getting some of them myself. I sure hope that some day our club will be big enough so that we can have a German Beauty Homer Special."

Harold Stengel of Bronx, N.Y., writes: "Congratulations to you, Frank H. Hollmann on the fine Frill Special. I don't know what we pigeon fanciers would do without you. Keep up your excellent work as you are indeed an asset and a credit to the Pigeon Fancy."

James F. Fonseca of Medford, Mass., Publicity Director of the American Pigeon Club, commends Frank H. Hollmann, Editor of the APJ, for his effort to publicize different varieties of pigeons. "The Fantail, Helmet and Frill Specials gave our hobby a much-needed shot in the arm. More Specials are to come," commented Mr. Fonseca.

Coyne Lord of Lee's Summit, Mo., writes: "Just a note to say that I enjoyed the Frill Issue very much. It was real fine. You did a good job on my ad and I am well pleased with it. Many of our Turbit breeders could have helped to encourage the raising of Turbits by placing an ad or notice in the Frill issue."

Mr. and Mrs. Merrill A. Scott of North Hollywood, Calif., stopped for a few hours visit at our home on Monday, May 12. The articles are getting better and there are more of them. I would like to see more articles on Show Homers and German Beauty Homers; however, the February issue was very nice."
