Charles Heitzman from Jeffersontown, Ky., well known Racing pigeon fancier, was recently honored by the Governor of Kentucky when he conferred upon him the title of "Kentucky Colonel." Congratulations to you. "Colonel Heitzman."

H. Van Doorn of Middelburg, Holland, writes: "As a subscriber of your wonderful APJ I always read it from cover to cover and give them also to my friends. Keep up the good work you are doing for all the pigeon fanciers all over the world."

John R. Bamford of Waterloo, Iowa, writes: "In my opinion there never was, there isn't now, and never will be a better magazine for the pigeon fanciers. And I am sure that each subscriber awaits the arrival of each issue with keen anticipation. Thank you for such a wonderful Journal."

D. O'Keete or Sydney, N.S.W., Australia, writes: "I want three more copies of the November 1970 King Special. Congratulations to you Mr. Hollmann and all those wonderful King fanciers for writing those outstanding articles about their favourite variety, Kings. The King Special issue was above all expectations. It's a gem."

Marvin Emery of St. Louis, Mo., writes: "I must be one of your oldest subscribers off and on since my teens, and I have now reached the age of 65 and retired. Pigeons of the world have been my special study for the last 35 years in about 15 languages. So I have plenty of material for articles and perhaps a book."

Dennis D. Roberts of Greenfield, Wis., writes: "The Journal is getting better and better with the wealth of information printed therein. Outstanding additions to your publication are the many scientific articles and the 'Pigeons in Court' column. To we Tumbler breeders the 'Tumbler Talk' by Al Westling is a must and we are pleased to hear Al will continue this with some support from others."

Peter Wollf of Caronport, Sask., Canada, writes: "The members of the English Trumpeter Club of America, the Western American Trumpeter Club and the English Trumpeter Club of Canada wish to thank you for your help through the Journal in making the English Trumpeter so popular all across North America. It was through your Journal that my first contacts were made with English Trumpeter fanciers in the U.S. and now I find I have friends all across your fair country. Thanks again."

Kevin G. Marshall of Clayton, Victoria, Australia. writes: "I have just seen a copy of your Journal, November 1970 issue devoted to Kings and must congratulate you on a magnificent production. As I am a King breeder I would very much like to copy or two. I thought I was going quite well until I saw this special and now realize how far behind we are in Australia. V. Kendall and myself in Victoria and L. Freebairn and A. Laffer in South Australia are trying to get them on the right track over here, so I hope you can help us with your magazine."

Ray Kirchen of Manitowoc, Wis., writes: "It is remarkable the amount of inquiries I receive from our small ad in your most valuable paper. If our Club continues to grow I am sure we can do better as far as advertising is concerned next year. I will make this an order of business at our next annual meeting. I also wish to thank you for inserting the cut above the column you so graciously give to AI Grace each month for our news. You would be amazed at the comments we receive from our membership. You deserve much credit for steady growth of the Muff Tumbler Club."

Mrs. Nina G. Gratson of Leisenring, Pa., writes: "I thought I would write you and tell you that I think the APJ is a wonderful magazine. Although I myself do not raise pigeons, I still enjoy reading the APJ. My husband raises English Pouters, Pigmy Pouters, and Show Racers. When my time permits me, I help my husband with the feeding, giving medications, etc. During the warm months, our three-year-old son John is always in the coop with us. As I have said, I do not raise the pigeons, but I do help out. Keep up the good work with the APJ as both my husband and I enjoy reading it very much." George H. McCauley of Jim Thorpe, Pa., writes: "I have quite a few books to read as I belong to a Book Club. But when the APJ comes I drop all the other books until I have read everything in the APJ."
