Sincere Appreciation

I wish to express my sincere appreciation for the final contribution in the and heart land, chwen and civic organizations as memorials to Frank H. Hollmann.

He was a very active businessman and loved to serve his friends and fellow fanciers. He began to publish the American Pigeon journal in October 1915. He devoted most of his life to his interest in pigeon breeding and raising. He always enjoyed having fanciers from all over the world visit in our home in Warenton and call at the home journal office.

Some of you may not be aware of the fact that Frank organized the National Pigeon Association in 1920, and in years he was missed only one contribution due to a snowstorm. He was planning to attend the National Convention in Houston on January 18, 1979.

I plan to continue as owner of the American Pigeon Journal with my brother, William L. ("Mike") Worley (who has with Frank for thirteen years) as Editor and Manager. I appreciate your continued loyal support in this effort. - Hazel W. Hollmann.

Editor's Note

At this time, we want to thank all our subscribers, advertisers and those of you who were generous enough to take the time to write and submit articles for publication in the APJ. We know that Frank greatly appreciated your dedication to the Journal for the good of the Fancy.

We will continue to publish the APJ each month and try to improve it from month to month to make it as interesting and informative as possible. Your continued support with your fine articles, pictures, advertising and subscriptions will help make this possible. - William L. ("Mike") Worley, Editor and Manager.

National Pigeon Association Inc.

Jim Laimore, Sec. of NPA writes: "We of the NPA were surely sorry to hear of Frank's passing. I sincerely hope that the APJ will continue as the World's Outstanding Pigeon publication.

You may rest assured that as the Secretary of the NPA, I will continue to support you in every way." - Thank you Mr. Laimore.

Canadian Club Mourns Frank H. Hollmann

It came as a tremendous shock to members of the Canadian Fantail Club when we learned of Frank H. Hollmann's sudden death. His work with the American Pigeon Journal was a joy to each of us, especially his support of Special issues on the Fantail. We can only hope that the excellent work he started and nurtured in the APJ will be continued on for generations of fanciers yet to come. I believe one of my greatest pigeon breeders will be not having had the opportunity to meet Mr. Hollmann personally. The Canadian Fantail Club extends its deepest sympathies to Mr. Hollmann's family and has made a donation in his memory to the Canadian Heart Fund. - Michael M. Boyd, Pub. Dir.

Tumbler Club Express Sympathies

Johnnie L. Blaille, Hutchinson, Kansas, writes: "I would like to take this time to express the sorrow of the Tumbler Fancy on the passing of Frank H. Hollmann. I think I speak for the entire Tumbler Fancy in expressing our sorrow that Frank is gone. He will be remembered as the backbone of the entire business."
